School for Girls

### PERFORMANCE ENROLMENT FOR 2023

Performance lessons occur during school hours up to 3:20pm. Each lesson is 30 minutes in length. While students will be taken out of their normal timetabled class to attend their instrument tuition they will only miss the same class every 6 weeks. Students are expected to catch up on any work they miss by being out of class, and to give plenty of notice if they cannot leave class due to an assessment.

Fees are charged each term and reflect the current private market rates. Some instrument lessons are covered by the itinerant music scheme and are of no cost to the student. These spaces are limited and NCEA students are given preference. Please see the instrument list on the reverse side of this page for further details

Instruments can be hired from several suppliers in Hamilton and WDSG has a small number of instruments available please see Mrs Greenslade for details.
